Dear Vic,

Thanks for your email.

I too was thrilled when James suggested it. I know how much he valued the experience and I have no doubt it will assist in my role.

Thank you for the opportunity. It will be a privilege to join the group.

Hopefully the corona virus will be long gone by then!

I am locked away in an Exec meeting this morning and will send through the details around lunchtime. I hope that's ok.

Many thanks again,

Mandi
